The committee will take into account the council's vision for the parish, local opinion and comments from third parties. They will base their response on relevant or 'material' planning considerations e.g. (in order of weight)

- Dacorum Borough Council's Development Plan which sets out the policies and proposals for the development, conservation and use of land and buildings in Dacorum
- National policy set out in the National Planning Policy Framework (NPPF) and government guidance

4.2.2 Inform the local planning authority (Dacorum Borough Council) whether they support, have no comment or object to the application i.e.

- support the application because it will have benefits for the parish, either now or in the future;
- support the application but ask for details of the proposed development to be reconsidered and changed;
- make "no comment", since the proposal's overall effect would be neutral or of little relevance to residents;
- register an objection to the application, but suggest action that could be taken to address the objection, such as amending the proposal or attaching planning conditions or a planning obligation; or
- request that the application be refused permission because of its adverse effects, which can't be dealt with satisfactorily by using conditions or obligations.

4.2.3 After the meeting, the Chair will prepare detailed statements explaining each decision made by the Committee based on NPPF criteria. These statements will be sent to the Clerk who will update the Planning Authority's Planning Portal accordingly.

## 4.3 Duties & Responsibilities

the Committee to attend the hearing or inquiry to present the Council's views to the Planning Inspector.

- 4.3.3 The Planning Committee may nominate a representative from the Committee (or the Clerk if appropriate) to attend the Planning Authority's Development Management Committee (DMC) and other meetings to represent the Parish Council's views in respect of planning applications and other planning matters.
