## **NORTHCHURCH PARISH COUNCIL**

### **PUBLICATION SCHEME**

Version	V24.0
Date approved by Finance & General Purposes Committee	N/A
Date approved by Annual Meeting of Full Council	13-05-2024

This Publication Scheme describes:

- The classes of information Northchurch Parish Council (NPC) publishes
- How and where such information is published (e.g. website, paper copy, etc.)
- Whether or not a charge is made for such information

In some cases, a class of information sets out a range of information which is excluded from publication. Where that is the case the reasons behind the decision to exclude are clearly stated. Excluded throughout the publication scheme is general correspondence sent or received by councils and all information relating to private individuals by virtue of it being personal data under the UK Data Protection Legislation.

In certain classes a limitation on the age of some documents has also been stipulated. For the avoidance of doubt this does not mean information beyond that date cannot be obtained, it simply indicates that it is not available as a matter of course within the publication scheme.

If original documents are more readily available from another source, details of that organisation are again specified in the scheme.

The information contained in each class will be available in a variety of formats namely in hard copy on request from the clerk of the council, by inspection at suitable premises by prior appointment or, where a council has a website some of the information may be available thereon.

Reasonable charges may be raised for the provision of copies of the documents/information listed in each of the classes.
